

Nfuse technology - Features & Benefits

FEATURE	BENEFIT
“Occupancy Ready”	<ul style="list-style-type: none">• No costly initial set-up of the floor• Immediate access• No facility down time• No sealing required• No waxing required• Ready to use right from the carton
Maintenance - Ease - Cost	<ul style="list-style-type: none">• Low maintenance cost (damp mop or auto scrubber)• No costly stripping, sealing or waxing required• No wax build up• No tracking of floor finishes• No VOC emissions• No toxic dumping of floor strippers & waxes
Stain resistance	<ul style="list-style-type: none">• Improved resistance to most chemicals and staining• Spills are easily removed
Low luster appearance	<ul style="list-style-type: none">• Softer reflective values• Unlikely to show wear patterns
Durable performance	<ul style="list-style-type: none">• Excellent wear resistance• Ideally suited for high traffic areas
Superior indentation	<ul style="list-style-type: none">• Will not show indentation marks
Engineered to withstand rolling loads	<ul style="list-style-type: none">• Less surface damage due to rolling loads
Nonporous Exceeds ASTM G21 for: mold, mildew and bacteria	<ul style="list-style-type: none">• Excellent hygiene
Meets or exceeds important quality & environmental standards for floor covering	<ul style="list-style-type: none">• Declare “Red list FREE”• LEED v4 contributor• FloorScore certified (SCS-FS-01492)• ISO 9001 certified• ISO 14001 certified
Phthalate FREE	<ul style="list-style-type: none">• Phthalate FREE
